## MH Track II Plan of Studies

### Cultural Studies: Non-Thesis/Project Option [39 credit hours]

This worksheet is for use in planning your program in consultation with your advisor. It serves as a tentative plan and as an ongoing record of your progress in completing (1) core requirements, (2) cluster courses, and (3) elective courses. This sheet must be updated and a copy turned into the MH/MSS office at the end of each spring semester. Your copy becomes your worksheet for the next academic year.

#### Interdisciplinary Clusters (Select One):

- Classics
- Identity and Gender
- Meaning and Values
- Philosophy and Theory
- Self, Society, and Community
- Social and Political Thought
- Technology and Culture
- Understanding America/Understanding the World

#### Required Courses:

Course	When Required	Semester Offered	Credit Hours	Completed
HUM 5025 – Methods and Texts of the Humanities	First year in the program	Fall	3	
Mid-Program Seminar (Course selection requires approval of a Program Director)	When appropriate for your program		3	
HUM 5924 – Directed Research & Reading in Interdisciplinary Humanities	Spring semester in preparation of final project	Spring	3	
<b>TOTAL CREDITS IN REQUIRED COURSES:</b>			<b>9</b>	

#### Cluster Courses (15 credit hours):

All courses must be selected with the approval of the student's advisor or one of the program directors. All independent study contracts must be approved by one of the program directors. A total of two independent study courses and two 4000 level undergraduate courses may count toward the degree with the approval of a program director. The remaining coursework must be 5000/6000 level courses offered through various departments.

Course	Semester Offered	Credit Hours	Completed
<b>TOTAL CREDITS IN CLUSTER COURSES:</b>			

(Continued on Reverse)

**Elective Courses (15 credit hours):**

Selected with the approval of the student’s advisor or one of the program directors and complying with the course level and approval restrictions outlined on the previous page, under “Cluster Courses.”

Course	Semester Offered	Credit Hours	Completed
TOTAL CREDITS IN ELECTIVE COURSES:			

**Transfer Credit:**

Course	Credit Hours	Completed
TOTAL TRANSFER CREDITS:		

**Final Steps (After completing 39 credit hours):**

Step:	Date Completed
1. Apply for Permission to Graduate	
2. Oral Comprehensive Examination before 3 faculty members
