Criminal Justice						

* The English language requirement can be satisfied with one of the three TOEFL exams or the IELTS exam.

** A minimum of one year's coursework in calculus and calculus-based physics is required for engineering.

***Some programs in Arts & Media require an audition.

+Must meet the same GPA requirements as domestic students.

2. Applicants must submit **complete and "official" academic records** of all work from secondary schools and any universities attended. Official academic records are records which are directly sent by the issuing institution to the university or are issued to the student in a sealed envelope to be delivered by the student to the university.

If the documents are not written in English, they must be translated by a certified translator. The translation must be literal and no conversion of grades should be attempted by the translator. Undergraduate applicants who have over one year full-time course work in a post secondary institution are not required to submit high school transcripts.

3. Both **Test of English as a Foreign Language (TOEFL)** scores and the **International English Language Testing System (IELTS)** scores are accepted at UCDHSC as proof of English Language Proficiency. Applicants must submit an official TOEFL or IELTS score report which is no more than two years old.

The UCDHSC **Institutional Code for TOEFL is 4875**. The English Language requirement may be waived if the applicant has completed six hours of college-level English composition with a "B" average: (3.0 GPA or higher) from a United States institution.

4. A **financial statement and a bank statement** from the sponsor showing the amount of funds available for support must be submitted to the university. If you have been awarded a scholarship from a private source or government agency, enclose the award letter. All financial support documents and documentation from banks must be original and should not be more than 6 months old.

5. The **Scholastic Aptitude Test (SAT)** or **American College Test (ACT)** score is required for undergraduate freshman engineering applicants only.

Please be advised that all documents submitted along with the application become the property of the university and will NOT be returned to the applicant.

Your file will not be considered complete, nor will it be submitted to the admissions committee, until all requested materials are received. To expedite processing, all the information should be sent at least five months before the semester in which you wish to enroll. For undergraduate application materials, please have materials sent by the following dates:
