## MSS Plan of Studies

This worksheet is for use in planning your program in consultation with your advisor. It serves as a tentative plan and as an ongoing record of your progress in completing (1) core requirements, (2) courses that either serve as theoretical or historical background for and/or are specifically focused on your area of concentration, and (3) a thesis or project. This sheet must be updated and a copy turned into the MH/MSS office at the end of each spring semester. Your copy becomes your worksheet for the next academic year.
