

Course Rotation – ILT Program

Planned schedule 2007-08. Revised 13 March 2007. OL denotes a course taught online. Note for Summer 2007 – IT 6130 Formative Evaluation and Implementation is delayed; first-year ID students are asked to take IT 5160. First-year K12 teachers are asked to take the Digital Storytelling workshop, followed by an optional single credit in the fall for implementation and evaluation of the digital story unit.
